3041 Home Rd., Powell, Ohio

From 2.00 – 10.69 acres Available

The Overall Site is in City of Powell, County of Delaware, Ohio and borders Liberty Township. The Commercial land component fronts along Home Road at the Home Road overpass just east of Sawmill Pkwy and west of Liberty Road.

There is a total of 10.69 ± acres of Commercial Land that is part of the overall 70-acre development, that has been annexed to City of Powell and has been zoned PCD - Planned Commercial District. The Seller is open to subdividing the site to accommodate multiple users. The balance of the development includes 327 age-targeted, single story, ranch, 2-bedroom, 2 bathroom plus den and attached 2-car garage apartments being developed by Redwood Living <https://www.byredwood.com/>. Redwood is a privately owned multifamily developer from the Cleveland area and are approaching 16,000 apartments and growing by approximately 2,000 units per year.

The overall development is adjacent to Liberty Township Park, YMCA, Olentangy Liberty Middle School, Wyandot Run Elementary School; and 1/8 mile away from OSU's Hospital / Wexner Medical Center Outpatient Care Powell to be built on 30 acres on Home Road just west of the Home Road overpass at the northeast corner of Home Road and Sawmill Parkway; and it is scheduled to open Summer/Fall 2025 which is part of their ambulatory expansion strategy to provide convenient access to comprehensive healthcare services including primary and specialty care along with diagnostic and treatment services where people work and live. <https://wexnermedical.osu.edu/mediaroom/pressreleaselisting/powell-outpatient-care>

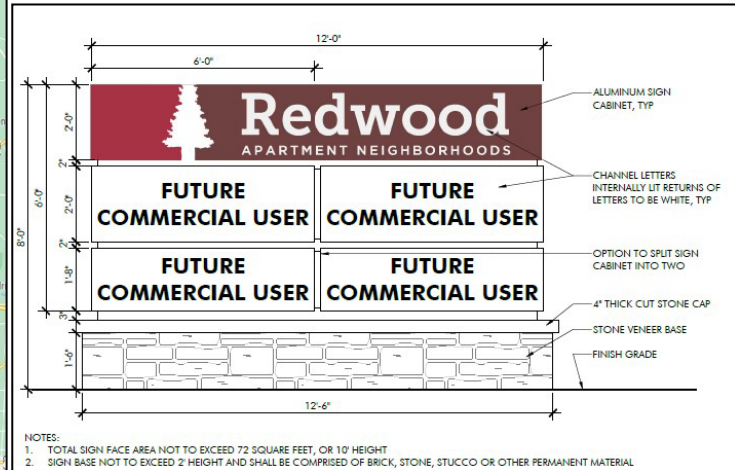

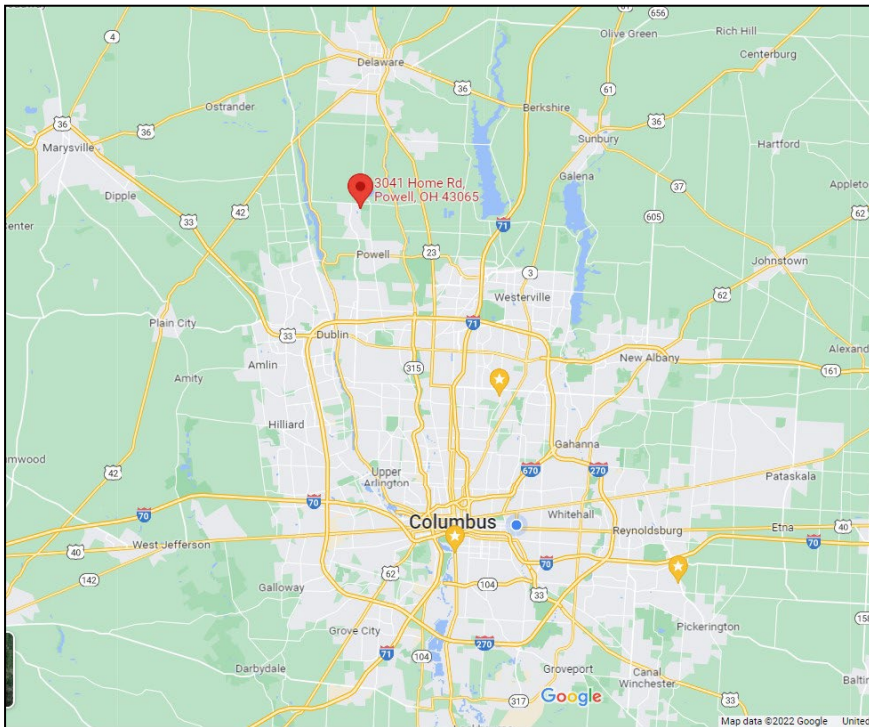

The new OSU ambulatory center is across from Olentangy Liberty High School. The facility is expected to employ up to 500 people with a payroll of up to \$50M in its first phase, followed by another 125 to 500 employees during its second phase and will be the largest economic development project in Powell's history.

THE NATIONAL MODEL FOR BUILDING A SMART CITY

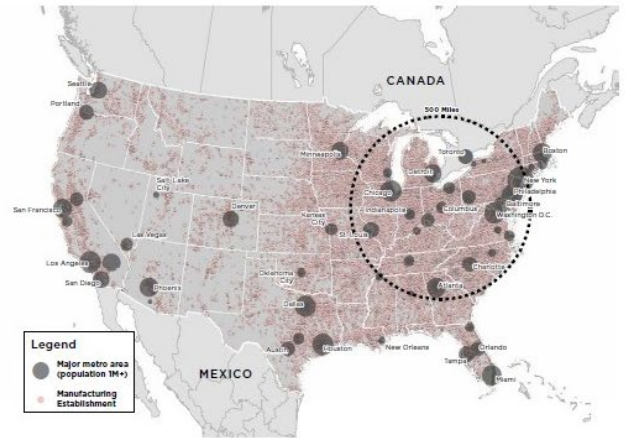

Columbus is the U.S. Department of Transportation's Smart City Challenge winner, and as a result is the nation's living laboratory for the advancement of smart mobility.

Foundational elements of the Smart Columbus initiative include grid modernization, mass deployment of electric charging stations, and an open data platform where shared data will power applications for multimodal trip planning, fare payment, parking and more.

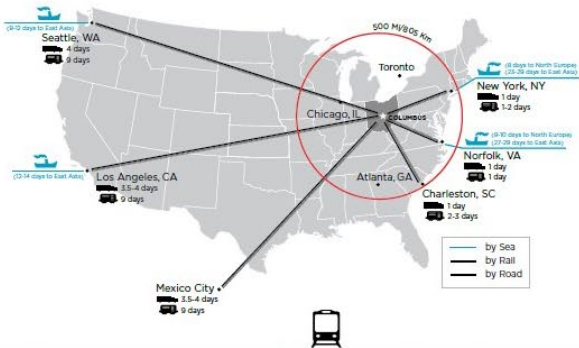

What's learned in Columbus will directly impact how smart technologies are adopted by cities across the country.

A REGION WITH REACH

The Columbus Region is located at the center of the most densely populated area of the U.S. That makes it a premier location, providing companies with superior access to the North American consumer population, corporate headquarters locations and U.S. manufacturing capacity.

THE COLUMBUS WAY

The Columbus Way—an ethos studied by Harvard faculty, civic leaders and business leaders around the country—drives leaders and residents to collaborate with forward-thinking intention.

The Columbus Way turns vision into action. It brings businesses, communities and academic institutions together to achieve what cannot be done alone. It's why we're successful now, but we know our best days are always ahead. It's how we've made a significant impact in our region, consistently delivering on the promise of the future.

And the smart and open culture of our region brings the Columbus Way to life.

WE'RE SMART

The Columbus Region has been recognized over and over for innovation as it continues to prepare the next generation of visionaries.

- In addition to winning the USDOT Smart City Challenge, Columbus has been recognized as one of the seven smartest cities in the world by Intelligent Community Forum
- The Columbus Region is the center of the Midwest's talent pipeline, with more than 50 universities in the metro area
- Columbus is ranked No. 1 for startup growth by the Kauffman Foundation and ranks No. 2 in venture capital growth since 2013

WE'RE OPEN

Columbus is where standing out never means standing alone. Our region approaches life through an open-minded lens. We welcome diversity and embrace new challenges, and we believe both of these qualities help businesses thrive. This has resulted in Columbus position as one of the fastest-growing regions in the country.

- No. 1 Opportunity City by Forbes
- Perfect score on the Human Rights Campaign's Municipal Equality Index for 4 straight years
- 109 languages spoken
- No. 13 City for Women in the Workforce by NerdWallet
- 21% of population growth comes from international migration

WE'RE INFLUENTIAL

As Ohio's capital city, The Columbus Way affects the nation—from products to presidents. Columbus has historically been a microcosm of the nation in terms of religion, race, age and economic diversity, ranking fourth among metropolitan areas in its resemblance to the United States overall. Ohio's diversity makes it a swing state and a mirror of the country.

Because of this, Columbus is the test market for the U.S.—a strategic place for influential brands to experiment with something new. And we are trendsetters. Columbus is home to the third highest concentration of fashion designers in the U.S., topped only by New York City and Los Angeles.

INTEL IN OHIO

SECURING OUR NATION'S FUTURE

Intel's investment in the Columbus Region is the **largest manufacturing investment in Ohio history**. The project will create thousands of jobs and result in an economic impact that touches all corners of the state.

In addition to bringing in an industry that is new to the Midwest, Intel's investment places our state and region at the forefront of solving a national challenge.

Intel is the largest U.S.-based chip manufacturer. Boosting U.S. production of chips is critical to national security, and to addressing the chip shortage touching all elements of the global economy.

Intel's investment and associated jobs will change the lives of Ohioans, create new educational and career pathways, and attract new talent to Ohio from around the world.
